

Emerald Bay

SLEEK, CHIC ISLAND LIVING WITH UNMISSABLE OCEAN VISTAS

Comprising of a main villa and two guest pavilions, perfect for groups of families or friends, Emerald Bay is approached through modern landscaped grounds, where a stone pathway winds its way past palms and cacti. An attractive water feature and bursts of bougainvillea catch the eye, offset by the natural wood and stone of the property's minimalist exterior.

Interior features include a canopy-style indoor/outdoor dining area, and incredibly, Emerald Bay also boasts ocean and water views from every single room and vantage point. The contemporary, sleek aesthetics and private location (access via a private road) offer up all the elements for a comfortable, chic and restful island stay.

**The property is eco-friendly and smoking is not permitted anywhere on the grounds*
